Case No. 2:24-cv-01134-CDS-BNW

ORDER

10 Before the court is Interested Party P.C. Liang's motion for writ of execution. ECF No. 3.
11 The underlying default judgment is from the United States District Court, Central District of
12 California. ECF 1. Last year, the district court granted and entered judgment in favor of Plaintiff
13 for a total of \$16,933.72, along with interest. ECF No. 1-1 at 2. Plaintiff assigned the judgment to
14 Liang, and the district court acknowledged this assignment. ECF No. 1-2 at 1. The deputy clerk
15 then certified the judgment to be registered in this district. ECF No. 1 at 1.

16 Subsequently, Liang filed a bill of costs and motion for writ of execution. ECF Nos. 2, 3.
17 Due to a mismatch in amounts sought, this case was assigned to the civil docket. ECF No. 4. In
18 the writ of execution, Liang requested \$18,027.79 by adding \$1,094.07 of interest to the
19 underlying judgment of \$16,933.72. ECF No. 3 at 4. The filings did not demonstrate how Liang
20 arrived at the \$1,094.07 amount. *See id.* In light of the mismatched amounts and the requested
21 interest, the Court denied the motion for writ of execution and ordered Liang to file supplemental
22 briefing. ECF No. 5.

23 Liang promptly filed an updated motion for writ of execution. ECF No. 8. In it, Liang
24 corrected the judgment amount to \$16,933.72, meaning that this amount now matches the
25 underlying judgment amount. *See* ECF No. 1-1 at 2. Liang also provided the post-judgment
26 interest calculations, showing that the accrued interest amounted to \$1,128.46. ECF No. 7-1. The
27
28

1 accrued costs and fees totaled \$285.50.¹ ECF No. 8 at 3. Thus, the total amount of accrued
2 interest, costs, and fees is \$1,413.96. The total amount due is \$18,347.68 (underlying judgment
3 plus interest, costs, and fees). *Id.* at 2.

4 **IT IS THEREFORE ORDERED** that the second motion for writ of execution (ECF No.
5 8) is GRANTED.

28 ¹ The affidavit states that the accrued costs and fees total \$1,413.96. ECF No. 8 at 1. The Court
understands this to be the total amount of accrued interest *and* costs and fees. *See id.* at 1, 3.
